Overview All UCPEA, Management and Confidential employees are eligible for holiday time. UCPEA, Management and Confidential employees have different holiday time reporting rules per their contracts. They are also eligible to earn holiday time if they work on a holiday, or if a holiday falls on a day they are scheduled off work. UCPEA, Management and Confidential employees will use this job aid to report time on a holiday.

Note: Part time employees are entitled to a prorated amount of holiday time per their contracts.

The following time reporting codes (TRC) will be used when reporting time on a holiday for UCPEA, Management and Confidential employees:

TRC	Description
HOL	This is the regular holiday time reporting code. Employees will enter their scheduled hours on a holiday using the HOL time reporting code. Note: Holiday time for part time employees is pro-rated based on their percentage of employment.
HWCE	Holiday comp time earned for working on a holiday. If an employee works on a holiday, they will use this time reporting code (in conjunction with HOL) to earn comp time for time worked <u>up to their scheduled hours</u> . The employee will report HOL hours and HWCE time to get paid for and earn hours on the holiday.
HXCE	If a holiday falls on a day the employee is not scheduled to work (B day), they will use the holiday paid on off day time reporting code.
REGH	To be used when an employee is scheduled for <i>more than their standard hours</i> on a holiday AND that time was worked by the employee, but they did not work more than their biweekly hours.
CCE	To be used when an employee works <i>more than their standard hours</i> on a holiday AND they worked more than their biweekly hours.
